

Emergency Management

Activities

Emergency management is concerned with protecting the people and properties of Jackson County. The division continues to work with the public safety community and public health community, along with local critical infrastructure and key resources to mitigate, prepare, respond and recover from potential disasters.

Strategic Plan Impact

✓ Safe Community

Working with the Department of Homeland Security and the Michigan State Police Emergency Management Division, it is the goal of Emergency Management to make Jackson a safer community utilizing an all-hazards approach in dealing with potential disasters.

Accomplishments

- Jackson County received \$67,434.25 (FY2018) and \$60,369.39 (FY2019) from the Homeland Security Grant Program (HSGP)
- Jackson County received \$ \$39,648 from the 2019 Emergency Management Performance Grant (EMPG)
- Jackson County received \$1,000.00 from the 2019 Hazardous Materials Emergency Planning Grant (HMEP)

Local projects completed with HSGP funds:
