MEMORANDUM

To: Concerned Parties in a Real Estate Transaction

From: Environmental Health Division
Jackson County Health Department

Re: No Point of Sale Program in Jackson County

To whom it may concern:

As has been the practice and continuing forward until further notice, Jackson County does not have a Point of Sale Program in effect at this time. This Memorandum is a continuation of the previously issued Memorandum from 2017. There are no requirements from this office concerning private well and onsite wastewater system assessments for residential property transfers. The Jackson County Health Department does not require any testing of private wells in any real estate transaction, including the following water quality tests:

Nitrate

Nitrite

Lead

Arsenic

Coliform bacteria

E.coli bacteria
