Cars have changed.

So have traffic rules, driving conditions, and the roads you travel every day.

The Driver Safety Course offers the following:

- Research-based safety strategies that can reduce the likelihood of having a crash
- Proper use of seat belts, air bags, antilock brakes and new technology found in cars today
- Ways to monitor your own and others' driving skills and capabilities
- The effects of medications on driving
- The importance of eliminating distractions, such as eating, smoking and using a cellphone

About the course: The AARP Smart Driver™ course, offered by AARP Driver Safety **instructor Terry Finch**, is the nation's first and largest refresher course designed specifically for drivers age 50 and older.

Why take the AARP Smart Driver course: Course participants report changing at least one key driving behavior for the better as a result of what they learned in the course and over eight in ten participants felt that information they learned in the course has prevented them from being in a crash.

AARP membership is not required to take the course. **The classroom course costs only \$20 for AARP members and \$25 for nonmembers. Payment due to instructor first day of class.** Bring your driver license!

Class size is limited to 10 people.
