Springport Rd. and Minard Rd. Roundabout – Tompkins Township

The Jackson County Department of Transportation is pleased to announce the construction of a new single-lane roundabout at the intersection of Springport Rd. and Minard Rd. in Tompkins Township. This change will improve safety and traffic flow for the area.

The project is scheduled to begin on Monday, April 22, and will take roughly 12 weeks to complete. In order to construct the roundabout, the intersection will be closed to all traffic. A detour will be in place to guide motorists around the construction site. We appreciate the public's patience and understanding during the construction process.
