Creating Healthy Communities

There are many eye doctors to choose from in Jackson County and surrounding areas. If you have any questions about your vision coverage, or which locations will accept your personal health insurance, contact your insurance provider.

If you have Medicaid for vision coverage, we have listed the locations in Jackson County and nearby that accept the various Medicaid health plans. Please note that there are usually limited appointments available at the locations listed below, and wait times to book an appointment in Jackson are currently long. Please contact your Medicaid provider for other options outside of the Jackson area, and to ask about transportation assistance to those locations.
