

## Online Training On-Demand

This website offers state-approved training courses in a variety of different industries. The courses are completely online and are available 24x7.

## Food Safety Manager Exam Prep

Our Food Manager Exam Prep Training course is designed to help prepare you to pass the Food Safety Manager Exam and to obtain your Food Safety Manager Certification.

We will cover all the major topics related to safe food service, and all other information you will need to pass this critical certification exam.

This online Food Manager Prep training course is based on the 2013 Food Code provided by the U.S. Food and Drug Administration (FDA).

## Food Manager Prep Course Features

Our online Food Manager Prep course is a HTML5 based interactive course with full audio narration and engaging real-world scenarios for the best user experience and information retention.

Our course is 5 hours in length, but is self-paced training so you can take the course at your own pace.

You have **90 days** from date of purchase to complete the course. Once the course is completed (by passing the practice exam) or it is past 90 days from purchase, you will not be able to access the online training.

However you will have access to printed material in your Account.

You can log in from any computer\* and train anytime, anywhere.
