

## Are you HIV positive?

Link-Up Jackson can help!

If you live in Jackson County and do have the medical care or support you need to live healthy with HIV, we can help.

- Connect you with local support programs.
- Refer you to community resources for help with everything from housing and transportation to counseling and job training.
- Find a medical doctor to help manage your care.
- Answer questions and concerns you may face about living with HIV.

**Link-Up Jackson Services are FREE, confidential, and voluntary.**

Client Pamphlet

The image shows the exterior of a modern, multi-story brick building with large windows. A paved walkway leads to a glass entrance. A blue bicycle is parked in a rack near the entrance. There are several potted plants with red flowers in front of the building. A large tree with green leaves is on the left side of the frame. The text is overlaid on the image.
